In this course you will:

- Build on your knowledge of the three dimensions: Laterality, Centering, and Focus
- Learn four more dimensions: Cranials, Breathing, Body Regulators, and Motivation
- Expand your learning menu options with new tools including acupressure and movement techniques, emotional balancing, and vision re-education.
- Deepen your experience and understanding of the balance process
- Experience deep personal shifts as you learn and share balances
- Learn from a master of Edu-K, who will support you in recognizing your own state of balance
- Enjoy many opportunities to learn and grow, both personally and professionally

Colleen Carroll-Gardner has been in the holistic health and educational field since 1980. She became the first International Educational Kinesiology faculty member in 1986, and was the co-creator of much of the original Brain Gym® 101 material. Colleen is well-known as a dynamic teacher who creates a relaxed, fun and loving environment for transformational learning to occur.
